

THE GAME OF THE

A STUDENT GAME

SEAL OF APPROVAL

Suzi - well I haven't seen you so much lately. But I remember when we were close friends and all the fun we had. All the good talks, all the partying together. It was all just good times. I feel like I don't know you anymore - but I will always remember "the way we were."

## THE GAME OF LIFE

### A True to Life Game for Two to Thirteen Hundred Players

#### TO START

Spin the wheel, highest number goes first. Each player advances to School Registration space. Each player is now required to turn in all necessary forms. If the player does not have these, he must go back to start. Players continuing on may now meet with their counselor who will supply them with advice, information, and sometimes, confusion.

#### PLAYING THE GAME

Each player turns the spinner. The spins determine which squares the player lands on. Teachers will give directions along the way. All players must now decide whether they want school insurance. Insurance will protect you against suspension, "unfair" acts of superiors, unexcused tardies, cafeteria food, etc. Cost: 3 detentions or an extra Trig assignment, whichever comes easier.

#### WHOOPEE DAYS

Throughout the game, there are spaces marked WHOOPEE DAYS! Landing on one of these spaces entitles the player to receive a WHOOPEE. An abundance of WHOOPEES can be significant. WHOOPEES come in many shapes and forms, such as, an exceptionally nice teacher postponing an assignment; ditching a class and not getting caught; receiving an "A" when expecting a much lower grade; and getting a date with you-know-who. WHOOPEES definitely improve the quality of the game!

#### GRADE DAYS

Grade Day is inevitable. No short cut will bypass it. Grade Day is very important as it can influence your playing in future games. When one reaches a space so marked, the player will receive a piece of paper, valuable to some, worthless to others. Remember to save all Grade Cards! You may need them for future reference. **WARNING!** Beware, there are (4) Grade Days. They come quickly and quietly.

#### MAKING FRIENDS

Throughout the game, players may find it beneficial to add a friend(s). Friends give the player companionship, good times, and fond memories. Having as many friends as possible is helpful to winning the game. If, perhaps, the player adds a friend who is of the opposite sex, then, the playing of the game is definitely improved. Players are advised to make the most of friendships, as good friends are hard to come by!

#### ADD AN ULCER

If by some unfortunate quirk of fate you land in one of THOSE

classes, you:

- 1) Develop a mild migraine, bloodshot eyes, or a case of droopy eyelids, by entertaining thoughts of doing homework at late hours.
- 2) Add a sharp pain in the neck, head, stomach, or gluteus maximus when your schedule permits 3 or more of THOSE classes.
- 3) Receive sympathy from friends and violent lacerations from parents for every class failed.

Miscellaneous ulcers:

- 1) Getting caught for ditching or in the case of frosh or sophs, getting nailed for going off-campus at lunch.
- 2) Developing a severe case of terminal acne before your big date with you-know-who.
- 3) Forgetting to do an important assignment or . . . any one of a number of unfortunate happenings and incidents.

#### PAY TOLL

Throughout the game, players will come upon spaces marked PAY TOLL! These spaces indicate a need for the player to cough up some of his hard earned pennies. Some of the more common PAY TOLLS are buying:

- 1) that "ever-illustrious" ASB card.
- 2) the infamous Junior Directory.
- 3) that one thing that no home should be without — The SENIOR CALENDAR!!
- 4) tickets for those fantastic dances and new clothes to go along with them,
- 5) and last but certainly not least, that masterpiece of creative genius, the incomparable, one-of-a-kind, fantastic San Marino High School Yearbook, THE TITANIAN!!!!

#### DAY OF RECKONING

All players must land on the Day of Reckoning, failure to do so results in an immediate halt to future plans. The Day of Reckoning includes some sort of acknowledgement of all that you have learned throughout the year. In other words, the FINAL! On passing this horror of horrors, players move as indicated:

- 1) For underclassmen, to the next grade level.
- 2) Up and out to the Deluxe Game of Life, for Seniors.

#### END

Upon passing the Day of Reckoning you have completed the game. Now it is up to you to decide if you are a winner or a loser in the game of life . . .

**PRINCIPAL**

The students of S.M.H.S. are fortunate to have Mr. Jack Rankin as their principal. Not only does he serve as the head of the school, but he is a friend to all, advising and guiding everyone to the best of his ability. He is a man of many outstanding qualities. The students of S.M.H.S. will always be proud that they have such an understanding and hard-working man serving as their principal.

## ASSISTANT PRINCIPALS

This year San Marino High School saw a new face in the office of Assistant Principal in charge of student activities. **MR. DAVID BROWN** has done an excellent job working with students and making sure school events and activities have run smoothly. He has been able to get to know many of the students, and is respected by all who know him.

**DR. CAROL LAMBERT** holds the office of Assistant Principal in charge of instruction and personnel. She can always be seen by students busy working with teachers and counselors in evaluating and improving instruction and services for us.

These two people are doing a great job and we are very appreciative for their devotion to us.

## COUNSELORS

Whether it's to talk about a change in your schedule, plans for college or just a little friendly advice, our four counselors are always available and willing to help us with the everyday problems that often pop up in our school life. They try their hardest to do what is best for each individual and we thank them for the many hours they spend preparing us for college or a future career.

*Seated: Mrs. Dorothy Kuhnlein and Mrs. Elizabeth Walker. Standing: Mr. Dan Mooney and Mr. Joseph Volz.*

## SECRETARIES

It's 7:57 and you just remembered you need your absence card for last Friday. Off you run to the Attendance Office to see Mrs. Bliss. Maybe you have to buy a copy of THE HOBBIT for your English class. Mrs. Polley in the APO is the one to see about that. These are just two of the countless jobs our many secretaries do to keep our school running smoothly and efficiently. Without them and their hard work our school lives would surely turn to disaster. Many thanks to these helpful ladies.

Barbara Bliss — Attendance Clerk

Margaret Gaffney — Secretary

Ethelyn Polley — Secretary and Nina Shearer — Bookkeeper

Linda Dial — Career Center

Violet Godfrey — Registrar and Dorothy Shearin — Guidance Clerk

## CAFETERIA PERSONNEL

"I'll have two peanut butter chews and a slice of pizza. No, make that an egg salad sandwich and three cookies! Oh, and a 7-UP too . . ." There you go again stuffing yourself with your favorite foods from the cafeteria. Well, thanks to the great cafeteria ladies, you can do all the stuffing you want. These women work hard every day to prepare the food for our lunches. They do a fantastic job too. Thanks again to these helpful ladies

## CUSTODIANS

Have you ever wondered where that old banana you nearly slipped on yesterday, went to? Or where those spit wads you so carefully aimed at the blackboard disappeared to? You'd think that with all these "activities" going on the school would have been submerged in spit wads and rotten food long ago. Not so! Thanks to our friendly custodians our campus is kept clean and pleasant for its many inhabitants. We thank these hardworking men for their service and dedication.

## "A Teacher's Work Is Never Done"

The saying "A teacher's work is never done," contains some truth in it since teachers come before school hours to help students or give make-up tests and stay after-school to do the same. Some teachers are ever involved in extra-curricular activities such as coaching, advising clubs and being department heads. Teachers spend part of their time making up tests, correcting them, correcting essays and totaling up final grades. Another part of a teacher's time is spent thinking up interesting activities for the next day.

I expect to see a lot of you in the summer & the remaining 2 years at High School. Remember if the weather is above 32°, I expect you to be over swimming. Please don't hesitate to call ok! Oh yeah now for our future fun. I can't wait till Scott's party & I'm just ecstatic over Campbell's closing out party! We're gonna have a blast! What a way to end the year. I'm getting a little carried away here. Once I get started I just can't stop. I have so much to say, but if I go on I'll end up writing a 3000 page novel. So here I must end. Keep in touch over the summer. Take care of yourself. I love you - Kiner

### CATCH ANOTHER BUTTERFLY

Do you remember days, not so long ago  
When the world was run by people twice your size?  
And the days were filled with laughter  
And the nights were filled with stars  
And when you grew tired, you could close your eyes.

Yes, the stars were made for wishing  
And the wind was there for kites  
And the morning was there for "rise and shine"  
And even if the sniffles kept you home from school in bed  
You couldn't hardly stay there after nine.

And I wonder if the smell of morning faded,  
What happened to the robin's song that sparkled in the sky?  
Where's all the water gone that tumbled down a stream?  
Will I ever catch another butterfly?  
Will I ever catch another butterfly?

# The Year We've Waited for: It's Here!

The first day of school was a little different this year — after all, we were finally seniors! We felt that surge of power — we were THE class. The campus looked somewhat smaller, and the freshmen seemed smaller as well — but isn't that the way it always is? We were determined to make this year count; determined to make it the best year, and as the days turned into weeks and the weeks turned into months, we realized that all too soon we'd be graduating . . .

## Senior Guys: Will They Ever Change?

Our Senior year has certainly been a year of changes — changes in ideals, expectations, goals . . . but some things never change, do they? Like where certain members of the class of '76 go during the break, lunch, or after school? Probably the most predictable group on campus was the Senior Men, who, since their Freshman year, could be seen discussing topical issues at the pole outside the science rooms before school, between classes, and at the break. Of course, you can be sure the Senior Women were never too far away . . .

# Homecoming: The Spirit of Unity

No one can deny the spirit of unity that prevails during the construction of the annual Homecoming float. This year was no exception as members of the class of '76 joined forces to create their bicentennial salute to Homecoming. At what other time could we see our Senior Men passively making tissue paper flowers — or the Senior Women asking managers of local markets for "twisties?" Okay, we didn't exactly take sweepstakes, and the bell didn't really look like a bell, but we accomplished something more important, didn't we? The Spirit of Unity that makes Homecoming such a memorable part of our High School experience.

## College Applications: What a Pain!

Despite the hectic schedule of our final year at SMHS, nearly all ambitious Seniors were forced to take the time to work on their college applications. Many a night was spent filling out the numerous forms and writing those challenging essays to schools like Stanford, Boulder, and the University of California. Because of "various" reasons, attendance at college meetings was always high and after all the applications were checked and the envelopes were stamped and mailed, the long wait began . . .

## 50's Week: Seniors Let Loose

One of the true high points of the year was 50's week, when students polished their saddleshoes and slicked back their hair to bee-bop to the tunes of Captain Cardiac and the Coronarys. The Senior Women went wild over "Fingers" and "Tiger," and danced, screamed, and swooned in the morning assembly — much to the surprise of the Freshmen . . . and embarrassment of the Senior Men! Well, after all, it IS our last year . . .

SCOTT HAUG

## Senioritis: A Change in Focus

As the year progressed it was obvious that advanced cases of "senioritis" had developed. Seniors began to "lack initiative" in the studies; and, as one exasperated government teacher related, "I had 30 absences in one week — ALL IN ONE CLASS!!" What causes Senioritis? A shift in focus from SMHS to the future, most likely. After all, how can you keep 'em down on the farm after they've seen U.C.??

ANN HUSTED

"It is not how much you have, but how much you enjoy, that makes happiness."

## Senior Picnic: An Afternoon to Remember

On an unusually warm (hot!) day in December, members of the Senior class gathered together to engage in grueling sports activities, box lunches and fun at the Senior Class Picnic. Following tiring games of football and frisbee, seniors settled down to enjoy roast beef sandwiches and soft drinks, while joking and talking with one another. Following lunch, the class united itself in a somewhat "violent" game of "Capture the Flag" and before long became so engrossed with pulling members of the other team over the line that the REAL object of the game was soon forgotten . . .

## Our Favorite Subject? Lunch!

Each day as the 12:10 bell rang, SMHS seniors poured from classes to tend to lunchtime recreation. Some avid frisbee fans stayed on campus to practice, while others chose to wait in line for assorted Titan Burgers, sandwiches and cookies. (How is it that the Senior line moves slower than any other??) The majority of Seniors chose off-campus eateries to satisfy their hungry stomachs. Pup 'n' Taco, Tony's, Vinces, Stottlemeyers and the ever-famous In 'n Out were Senior favorites.

## Seniors: We Have a Good Time!!

Seniors are famous for spending an extensive amount of time simply having a good time! Their favorite pastimes include going to Tony's, Twohey's, or the famous Winchell's Donut House. Diets are forgotten after the games because few are able to resist a hot fudge sundae or a huge order of onion rings to go! It should be noted that there is also always a gathering going on at someone's house. Full car loads of both senior men and women can often be seen cruisin' the deserted streets in search of some aftergame amusements.

## Senior Men: You Jive Turkey!

"The foul was made by you, you, you . . ." This cry accompanied by finger pointing and jeers came from a group of infamous senior men. The combined displays of enthusiasm were representative of the senior men's cheering section at all basketball games. These well known senior men were not only supporters of local pepsters, but they also insisted on yelling their own, sometimes questionable cheers.

## Senior Portraits:

"Is that how I really look?" seemed to be the reaction seniors had when it came time to pick up their senior pictures. They either weren't ready for the photographer to take it, or they just didn't look like themselves that day. But for whatever reason, Senior Portraits are just one more exciting adventure in the life of a typical Senior . . .

## Graduation: The Climax

Our Senior year . . . the year we've waited for since we stopped waiting for our eighth grade year . . . the year we vowed would be our best . . . the year we knew we'd be making some of the most important decisions of our lives . . . For many, our long awaited dreams have come true; for others, dreams are just now beginning to take form. We graduate in a few days — can you believe it? — and the class of '76 will go its separate ways . . . but that's what life is all about isn't it? Movin' on . . .

Dear Suzi,  
You are such a sweet kid.  
and I know what you'll  
be such a phantasmagoric  
Flaggit next year. But anyways  
you'll was fun and I hope  
Drama continue in going  
intermediate drama. Have fun this summer  
and I hope to get to know  
you better in the coming  
years. Love, Avery

Kellee Medearis, Megan Eidson, and Kerry Minard work diligently on the fantastic (?) Senior Float.

In a few minutes he'll call my name, and I'll go up to receive my diploma. You know, this is the moment all my friends and I have talked about for the past four years. It all went by so quickly. Heck, I can remember my first dance. I was a Freshman. . . . And the first time Dad gave me the keys to the car . . . the day I got my license . . . And then wiping out my savings to get a tux for the Prom. It was the first tux I ever wore. Now I'm a graduating Senior. No more Friday night football and basketball games — no more dances in the gym. All that is left behind me in good memories. As I leave for college, I want my parents to be proud of me. I want them to know that I have a purpose and that my future is secure. The time has come for me to make a life for myself. Tonight is not the end, but it is a new beginning . . . a new chapter in the book of life.

Graduation . . . I still can't believe it! I've dreamed about this day for so long, and now it's actually here . . . Well, I guess the reality of it all is just a little frightening. I can't stop thinking about the past — the Friday night games we cheered at, the homecoming floats we struggled to build, the sunny lunchtimes on the central lawn, laughing and talking with friends — and now it's all over. As I look around at the faces of my classmates, some that I've known all my life, I can't help but wonder if the friendships that mean so much to me tonight will last. We're all going to different colleges — some so far away from San Marino. Will we still have the same things in common? Will we still be able to talk and laugh like we have these past years? I guess with each new phase of life you have to give up a part of the past. You know, I had always looked at Graduation as being the end of an experience, but tonight I realize it's really the beginning. The future excites me — I want to live each day of it to its fullest! Because now is the time for moving on . . .

## Sr. Polls: Who's the Most . . . ?

Near the end of October rumors were heard concerning senior poll nominations. Many seniors were excited about the hopes of being nominated for a senior poll. In many cases for the first time, seniors went to the after game dance — because it featured the final results. Senior polls confirmed that the typical senior was in nirvana when "cruisin'" on the way to In 'n Out while listening to the vibes of the Eagles. The excitement of senior poll results was climaxed as senior men and women danced to the tunes of Headwind. Camera shy Senior poll winners include: Most rowdy — Matt Radnich and Cammie Lusko; Most individualistic — Joe Weiss and Betsy Whitehead.

## Juniors Take 1st Place Trophy

The enthusiastic CLASS OF '77 started the new school year right by "running" away with a first place trophy for their homecoming float. The float featured the well-known cartoon characters: the Road Runner, with his friend Woody Woodpecker, and his sly enemy Wile E. Coyote. The Juniors, who built the float at Debbie Clark's house, came to school the next morning tired and filled with anxious anticipation of the day's judging.

## Student Directory — Success!

This year's Student Directory was better than usual. The CLASS OF '77 edited the Directory which they cleverly called the "Little Black Book," and they sold it for the nominal sum of 50¢. During the summer months the Juniors had to work hard to gather enough ads to make the Directory a success and to get it out on time.

## 77's Concession Stand Surpassed All Others

This year's JUNIOR CLASS Concession stand surpassed all others. Cas Stimson along with the rest of the junior cabinet, gave the stand a new face lift. Another helpful improvement was the friendly vendors who wandered through the stands selling food to the spectators. Because of the great success of the concession stand, the class of '77 is in excellent financial condition.

## Juniors Organize Prom

This year, as always, the JUNIOR CLASS was faced with organizing and planning the Junior-Senior Prom. Under the direction of Gretchen Garrett, social chairman, assorted committees were formed for planning the different aspects of the Prom. Many evenings were spent thinking up a theme and performing such enthralling duties as addressing some 300-odd invitations. The Prom, as always, was a memorable experience.

## New Upper Classmen

The Class of '77, the new upperclassmen, had many new privileges and responsibilities. Among these were driving to school, going off campus at lunch, and attending the Prom. Although they could no longer participate in Rivalry Day, the Junior girls looked forward to the Powder Puff basketball and football games with the Senior women.

## Sophomore Float Garners Sweepstakes

The CLASS OF '78 captured the Sweepstakes award with their homecoming float. Constructed on the float was the Wizard of Id and below it the message "Oh how ye Titans shall burn ye Lancers." The Sophs even had costumes to wear, which were loaned to them by Gina Ferrante's father. Many hours of hard work went into the Sophomore float — some devoted Sophs even stayed up till two A.M. There was a pot luck dinner one night, and finally the float, which turned out to be a great success, was finished.

## Goal: One Learner's Permit

Getting a learner's permit is a big event in the life of every SOPHOMORE, but before they can get this permit they must complete one semester of Driver's Ed. and nine hours of behind the wheel training. Behind the wheel training is an exciting experience for both the student and the instructor. The ultimate test of skill and nerves is the scary drive up the narrow and winding road to Chantry Flats. All in all, Driver's Ed. is one class that will not be forgotten soon by the students.

## Sophs Raise Money

The SOPHOMORE CLASS had many money raising events in order to sponsor Rivalry Day. One of their first ventures was a combined car wash and bake sale. While the Sophs worked hard at scrubbing cars, their customers relaxed while enjoying all kinds of baked goods. The Class of '78 also made some money from their after game dance, but in spite of all their efforts they were still a little behind by the time Rivalry Day came about.

## Sophs Let Colors Fly

The SOPHOMORES showed a lot of spirit, displayed bright colors, and proved their good sportsmanship during Rivalry Day. The Sophs won the grease pole, gritscum, the 20-man relay, volleyball, and the dance. All this led to the Sophomore victory. To add to the Sophomore spirit, the tall flags and majorettes sold buttons on which were printed the words: "78 IS GREAT!"

## Freshmen Acquire New Freedoms

The newly graduated FRESHMAN CLASS had many new privileges to look forward to as "big" high school students. Besides a different school and new teachers, they also had to get used to their newly found freedom. The Freshmen were no longer restricted to a lunch period with only their class members; they were now free to mingle with the Sophomores and upper classmen. The Cafeteria selection was also better at the High School and for those Frosh who love to eat, the vending machines were a welcome sight. But one of the biggest advantages of becoming a Freshman, was the change from seven to only six class periods.

## Freshmen Raise Money for Rivalry Day

This year's FRESHMAN CLASS faced the same problems that preceding classes have faced each year; the problem of financing Rivalry Day. The Class of '79 used the usual money raising techniques of a car wash and Rivalry Day dues. This year's illustrious Freshman Class was extremely successful and made a hundred dollars on the car wash alone! Because of their success this year, they will probably be in excellent condition for the annual Freshman-Sophomore dispute next year.

## Freshmen Show Spirit

Rivalry Day is a big event in the life of every FRESHMAN. It is a time of fun, hard competition, and is intended to further unite the Frosh and Soph classes. The Class of '79 showed a tremendous amount of spirit during the Rivalry Day activities. They came to school dressed in green T-shirts, white overalls, and some Frosh even went so far as to dye their hair green — talk about devotion! The Freshmen proved to be stiff competition for the Sophomores, and as they left the dance one could see the look of "wait 'til next year" written on their faces.

## Frosh Float Captures 1st Place

Homecoming and football games were other new and exciting events that the FRESHMEN were able to participate in this year. They made a spectacular showing with their homecoming float which featured a gigantic football helmet and captured the first place prize. Constructing this float out of chicken wire and paper flowers was an experience which the Class of '79 will remember for years to come.

**HOMECOMING 1975**

Everyone was excited but sleepy from staying up all night to complete their float as Homecoming 1975 arrived. Pep was up early posting spirit boosting signs in the Central Patio telling of how the Titans would demolish the Bell Garden Lancers. As lunch arrived so did the traditional lunchtime Pep Rally. Some girls from last year's Pep did their old routines to the accompaniment of the Titan Band. After a few more routines, the Pep Officers announced the crowning of the Homecoming King and his Court. Mark Gallinatti was the lucky Freshman Prince, Ryan Harrison the graceful Sophomore Prince, Eric Robison the classy Junior Prince and Kirk Bull the happy Senior Prince. Then the moment everyone had been waiting for arrived. The Senior Pep Reps looked high and low and finally found Mike Elleman who was crowned Homecoming King for 1975.

The 1975 Homecoming festivities went off with a bang and everybody showed plenty of Titan Spirit. The Sophomores used "The Wizard of Id" as the theme for their Sweepstakes float. The Juniors' "Roadrunner" float took first place and the Freshman's "Bugs Bunny" float took second. Way to go Seniors! The Ski Club "spooked" the other clubs with their "Casper The Friendly Ghost" float. The parade was a fantastic lead up to the game in which the Titan Varsity Football Team demolished the Lancers from Bell Gardens, 28-14.

## HOECOMING COURT

On the evening of November 18th, 1975, there was an air of excitement and nervousness as the Coronation Ball commenced. People talked and danced until the moment finally arrived when the Homecoming Queen and her court for 1975 were crowned. Steve Talt had the honor of crowning Janet Kirkland Homecoming Queen. Susie Elsasser was named Senior Princess and Tracy Robinson was chosen as Junior Princess. The young ladies were certainly worthy of the honor they received.

## RIVALRY DAY

As dawn broke on January 9, 1976 various green (Frosh) and orange (Soph) bodies could be spotted running around campus putting up signs and attacking members of the other class. Thus began another exciting Rivalry Week-end. The members of the Freshman and Sophomore classes fought at gritscum, volleyball, baseball, relay races, pie eating and many other fun filled events. The big surprise came when the Sophomores beat the Freshmen! All in all, both classes had fun and both experienced a feeling of unity.

George Washington, Thomas Paine, Thomas Jefferson, John Adams . . . These are but a few of the names which the people of the United States associate with the Revolution of 1776. Two-hundred years have passed since this memorable event and now is the time to look back and consider how lucky we are as Americans. In celebration of our nation's 200th birthday, the Titanian Staff wishes to dedicate these next six pages to our nation and community. HAPPY BIRTHDAY AMERICA!

## 75-76 STUDENT COUNCIL

The 75-76 STUDENT COUNCIL got its student body bippin' and boppin' to the sounds of Captain Cardiac and the Coronaries who played at the after-game dance during the exciting 50's week. This and other events like the Homecoming Coronation Ball held at the house of Roger Anderson and numerous well planned assemblies showed the Council's leadership and organization for their outstanding year of quality.

## GIRLS' AND BOYS' STATE

"Paperwork" — This is what Mike Noll said left the greatest impression on him from BOYS' STATE. He continued to say that a week of Boys' State is just the right amount of committees, campaigns, and clerking. Mike decided not to run for a high office like the governorship and do more paperwork. "I learned a lot about all of the red tape that clerks have to go through just to change the smallest thing." Penny Pastis was San Marino's representative at GIRLS' STATE. She also served on many of the committees in Girls' State.

## HOUSE OF REPS

"This year there will be no time for apathy." Pat Harris said in his message in the 75-76 Titan Guide. As to support his statement, the 1975-76 homeroom representative and student council met bi-weekly with Mr. Rankin and Mr. Brown to discuss some of the problems the average SMHS students are confronted with every day. The main goal of the HOUSE OF REPS was to get a larger percentage of the student body involved in their own student government. During each House of Reps meeting everything was discussed from support to Athletics to Zany plans for lunchtime activities. We thank our 75-76 House of Reps for their dedication and spirit.

Joyce Johnson: "Now this is my point of view."

Peter Koenig to Suzie Boone: "Did you get that Suzie?"

John Hunter to Maurice Hamidieh: "I wish I'd taken shorthand."

## TITAN SHIELD

Members of TITAN SHIELD were busier than ever in this 1975-1976 year. The members of the paper edited and published a school newspaper every two weeks. Some interesting articles included in the publication were ski reports, movie and concert reviews, editorials about everything from bicentennial beer cans to "disunity among the senior class's sexes," and special articles on what's going on at school. But, the highlight of the year came to members of The Titan Shield when they published a special magazine which dated back twenty years. Yes, it was a good year for The Titan Shield. This was due to the talented writing of members of the staff and the expertise management of the many different editors.

Dear Suzi,

Well the time finally came when I got to sign your yearbook - thanks for giving me the chance to talk to you, (even though we were talking in Wendy's driveway), because you are a really neat person.

I wish you luck next year and I know that you will be perfect for flag. You are perfect for flag because you have your head put

## PROMETHEANS

The PROMETHEANS is a group of Seniors selected on the basis of service, leadership, scholarship, and citizenship. This year there are 35 members. They were chosen by a faculty committee, a junior committee, and senior committee. Since this is an honorary society, there are no activities.

Well, what more can I say because you are really special and I hope you stay that way. Thank you for being a real pal.

Love,

**TITANIAN**

This year the yearbook staff consisted of over 25 hard-working souls who dedicated long hours to the final completion of the yearbook. Amidst the screams of anguish, arising from the fact that the deadline was in 2 days and everyone still had a hundred pages to do, and between the fits of hysteria being thrown by everyone, everybody was able to calm down long enough to get their work done and meet the deadlines (even if it did mean getting three hours of sleep in 7 days). Miss Lindy Robles, Titanian Advisor, offered guidance to everyone and the staff wishes to express its sincere thanks to her and to the many photographers and individuals who so greatly helped us.

## KEY CLUB

The men of KEY CLUB began the '75-'76 school year with traditionally selling football programs. Later with the Amicians they put on a car rally and showed the movie "The Endless Summer." Key Club was also involved in the community. The members helped in the construction of the small Christmas Church at the bus stop on the corner of Huntington Drive and San Marino Avenue. Sophomores and Freshmen can thank the Key Club for their sound judging and fair calling at Rivalry Day '76. Steve Talt, club president said, "Key Club enjoyed Rivalry Day just as much as the Freshmen and Sophomores." The Key Club had an all around productive year, and according to Steve, all members worked equally hard, with a lot of spirit.

## AMICIANS

Eileen Bassett, Kerry Minard, and Gigi Clark prepare for the Amician Bookfair.

Even before the school year of '75-'76 started, the AMICIANS were busy with a luncheon for girls transferred from other schools. When the school year got started the Amicians really got the ball rolling with multiple activities and events. October 4, was the date of their Rummage-Bake sale, and later, they sold blue and white balloons at the Homecoming Parade. One of the biggest and most fun events organized and put on by the Amicians was the Christmas Dance held at Cas Stimson's house. Of course, there was the annual Christmas Book Fair where one could buy exciting books like JAWS, CATCH 22, or the very interesting life story of Robert Redford! The Amicians deserve a congratulations for their very productive year, so — Congratulations.

## INTERACT

INTERACT was busy with all kinds of things this year. At school they were involved with two carwashes with Key Club and a car rally with Omegas. At Christmas time members of Interact visited Methodist Hospital of Arcadia where they brightened up many lone-some patients' holiday season. Along with Omegas, Interact sponsored a picnic for members of the Granada school for the disabled and the blind. Interact brought hamburgers, frisbees, and footballs for the youths. Yet the most colorful event the members of 1975-1976 Interact performed was brightening up SMHS's pool area by painting the bleachers in vivid color.

Becky Thompson, Karla Miner, and Leslie Arnett discuss the Omega meeting.

"It's another one of those delicious Omega bake sales."

## OMEGAS

Dedicated involvement in our school described the kinds of work the 1975-1976 OMEGAS performed. The Omegas were involved with nearly every aspect of the school. Some of the events that Omegas sponsored this year included their Annual Pumpkin Sale, a Halloween Progressive Dinner for Amicians where both the clubs had each course of dinner served at a different house. One of Omega's service projects for the community at large included decorating a table at the St. Edmund's Table Fashions Tea where the club won first place for their table. Omegas also gave a party for the Granada School for the blind and disabled. The Omegas were thanked by the members of the Granada School by a giant sized thank-you note that was put in the front showcase of SMHS.

## POLITICAL CLUB

The main goal of the '75-'76 POLITICAL CLUB was to make the students of SMHS more aware of the world in which they live. The club began the school year with a new project: members of the club printed a newspaper titled "The Joint Session." Steve Hayward, club president, said, "The newspaper is designed to adhere to the creative needs and talents of the students."

## NATIONAL FORENSIC LEAGUE

The purpose of the NATIONAL FORENSIC LEAGUE is to promote speech activity through interscholastic competition at speech tournaments. Members of NFL attend speech tournaments regularly where they may participate in many different events. Events include: debate, original oratory, and dramatic and humorous interpretation. They have a regular season, similar to that of athletes, and divisions such as novice, junior varsity, and varsity. At the Fall Varsity Tournament at Jordan High in Long Beach, Joe Garrett, Laurel Spector, Tom Sheehy, Carrie Kirk and Robin Sirott were finalists of the entire tournament which included 42 other schools — an outstanding performance!

Suzi - As one of my few soph. friends you're one of the latest I could hope to know. In history at the beginning of the year we had fun. (even though you were never there) In spanish you never said anything back my direction so we never really did get to chat.

### GERMAN CLUB

The GERMAN CLUB has had a very fun year under the leadership of Mr. Say. They had a successful bake sale at the break which tempted students with various German pastries including strudel. This provided spending money for the club. Considering that the club is a relatively new club and has barely more than 20 members they have accomplished quite a few worthwhile activities this year.

### AFS STUDENTS we share. thank for being there

This 75-76 school year brought two new delightful additions to the S.M.H.S. campus — our two AFS students, Majd Khayyat and Franzi Iseli. Franzi, a senior from Thun, Switzerland, staying at the home of Debbie Clark, is happy with her new life in San Marino. She likes her family here very much. Her new family reminds her a lot of her own. Yet, Franzi feels that the Clarks are more active in things such as sports and clubs and there is more time for socializing in her American family. She loves the United States because "the people here are so friendly towards me," says Franzi. Franzi is very busy at the high school. She is active in AFS, Amicians, and Ski Club, and also carries a heavy academic schedule. Majd Khayyat, who is staying with Suzie Boone, is a senior from Amman, Jordan. She is a special student because she is the first girl from Jordan to be graduated from a high school in the United States. There are many differences between the schools in Jordan and the United States. For instance, in Jordan, Majd took 17 required subjects on a weekly rotation schedule. Majd enjoys being in the United States, and she commented that "the people here are all nice and friendly to me."

Gosh Suze, there are so many times and so many memories - and just think of how many there are to come! You're such a good friend and a great person too. I can't express my gratitude for your warmth & sympathy after Pep Rep chaining. You were so sweet and I can't thank you enough. And I'm so glad you made

## FLAG AFS CLUB

Active — that was the word that described the 75-76 AFS CLUB. More activities and fund raising events took place this year than in past years, making AFS one of the busiest clubs on campus. The highlight of the year was the January International dinner. This fete included everything from quiche lorraine to Swiss dancing. Traditionally there was Penny Wednesday, AFS's weekly fund raising for the support of the foreign exchange program and the selling of See's suckers. The real excitement came when the club raffled off a stereo system, AM-FM radio, and four albums. All proceeds from this went to a fund used to pay foreign students way to and from the United States.

Suzi - hello! Today, like this year has been good and fast. Summer should be good if there is some good parties so that we can all get together. I hope I see you this summer, I'm sure that I will. Call up Karl and tell him to call me and have us come over. That time at the Davis' when I talked to you was good - but it seems like every time we talk I'm tired.

Sometimes we've got to exchange words when we're both fine, OK? Well, I must be going...

## C.S.F. LIFE MEMBERS

C.S.F. LIFE MEMBERS have been in C.S.F. for least four semesters, one of which was in their senior year. There are over 40 members this year thus making it a large group. One of the benefits of being a MEMBER is that the students are also known as seal bearers because of the special gold seal put on their diplomas.

## SKI CLUB

The Ski Club was again a very popular club with well over 200 paid members. Fall activities included a dry-land ski school and meetings featuring ski films and talks by experts on ski equipment. The first outing was a 5 day trip to the Utah resorts of Alta, Sunvbird and Park City during Christmas vacation. The first trip to Mammoth in December was cancelled because of poor snow, but the Club had three other Utah resorts of Alta, Snowbird and Park City during Christmas vacation. The first trip to Mammoth in December was cancelled because of poor snow, but the Club had three other trips to Mammoth in January, February, and March. The Spring vacation trip is planned to include 1½ days at Mammoth and 4 days at the Lake Tahoe resorts of Heavenly Valley, Kirkwood and Squaw Valley. Local trips and Owego League competition were curtailed because of late snow in So. California. San Marino is the defending champion of the Owego League (So. Calif. High Schools) and expects to retain the trophy.

## ECOLOGY CLUB

What used to be a mess of glass, paper, and aluminum cans was cleaned up by the '75-'76 ECOLOGY CLUB to be a neat and orderly Reclamation Center of SMHS. Also following their line of occupation, the Ecology Club had a natural foods sale to raise money for various projects like planting greenery and touring a sewage plant.

## ART CLUB

Robin Summet, Diane Kooken, and Laurie Hind were the 3 recipients of the Saturday Art Scholarship to Art Center College. This scholarship sent the recipients on several Saturdays to Art Center for an enrichment art course. An extra scholarship was made available because the ART CLUB raised extra money by having a car wash and bake sale. The Art Club had a hand in helping with the Gibralter Art Show and made giant Easter cards for the Children's Ward of a hospital.

## STAGE CREW

The people of STAGE CREW are responsible for everything that goes on in the Auditorium and the Little Theater. Crews, made up from this class, build, design, and run all programs and plays that are presented during the year. Basic activities include hanging and focusing lights, and operating the light boards during a show. The stage crew constructs and paints the various sets needed for the plays. Without the students who make up stage crew, there could be no assemblies, programs, plays, or the musical. Though seldom seen or heard, these students are a vital part of San Marino High School.

## AUDIO VISUAL

Have you ever wondered where those life saving, time consuming films and records that disrupted English and government class come from? The students of S.M.H.S. can give their thanks to the AUDIO VISUAL students who bring the welcomed films and records. They dig up the goodies from the backroom of the resource center, under the direction of Mrs. Montgomery. Thank-you Audio Visual students for bringing the life-savers!

## LETTERMAN'S CLUB

"LETTERMAN'S CLUB does not discriminate!" stated club president Roger Anderson. So throughout the '75-'76 year, the men AND women of Letterman's Club were very busy at many assorted activities around San Marino High. This club put together the very helpful Athletic Guides and took charge of delivering season tickets for the football games. They also took charge of running the reserved seating section and sold those comfortable seat cushions at football games. Spring activities such as being in charge of the Senior-Faculty basketball game and the Powder Puff football game also kept the members on their toes. Congratulations to a very successful club!

## DELPHIANS

The day after Halloween and what a place that egg fight and 20 rolls of TP left your yard in. But never fear, you bought Halloween insurance from the DELPHIANS . . . and here they come now to clean the whole mess up! This was just one of the Delphian projects and when asked how it fared Eileen Sheppard, club president, said, "Very successful." At Thanksgiving time, the Delphians served at a dinner for old people belonging to the group called SNAP, making the Delphians a group involved in the community. Later in the year, the Delphians had their annual motocross, where one of the more prominent participants was our own Mr. Brown (on a tricycle?). The Delphians must be given hearty applause for their very creative and successful projects!

Elizabeth Palmer and Sue Hemeren march off to another Delphian meeting.

Another hair-raising idea for Delphians, Anne?

## CHORALAIRES

The CHORALAIRES or more commonly known as the Advanced Girls' Chorus, is a singing group related to the Chansonettes. Members of the Choralaires had to audition for a part in the group, giving them a high set standard for singing quality. Throughout the year, under the direction of Mrs. Morrison, they gave several concerts and participated in music festivals.

## CHANONETTES

For the most extraordinary money-raising project the prize this year should go to the CHANONETTES for their Rock-a-thon. The money the girls earned by rocking in rocking chairs went toward the Braille Institute of Music and towards their uniforms. On regular school days one can hear their voices warming up to sing during 4th period. When all 12 voices are put together they sing beautifully and gracefully. The 12 girls of Chansonettes are S.M.H.S.'s best female voices as they had to audition to be in the group. During the year they could be found at the Renaissance Fair, music festivals, and other community events.

## MATH CLUB

MATH CLUB is made for the students who are especially gifted in the area of math. This year they went to the Anaheim Convention Center and listened to the various lectures. They participated in the Math Field Day at Occidental College where Jeff Katz ranked as a semi-finalist in his category. Also, for a mere 50¢, students could buy a chart of their biorhythms from the math club.

## SPANISH CLUB

SPANISH CLUB was a busy club this year. One of their activities included the annual orphanage drive at Christmas-time which sends food and clothing to underprivileged children in Mexico. This happens to be one of the oldest traditions at S.M.H.S. They went to Olvera Street, and they also saw El Greco, the famous dancer.

## SENIOR ADVISORY BOARD

Offering suggestions, listening, discussing, then deciding on activities and events for the Senior class was the schedule of the meetings of the SENIOR ADVISORY BOARD. The 75-6 Senior Advisory Board began the year with a quick start by first deciding on the idea for the Class Homecoming float. The float had a large suspended Liberty Bell with an excellent recreation of Woodstock on the top. Even though no award was given to the float, the building and construction of it brought the Senior class together. The Board was kept busy for the rest of the year by nominating Seniors for the Senior rolls, suggesting places for the class picnic, and offering ideas for the class gift.

## CARE

"Caring — that's what it's all about." said Suzi Foulkes, and that's what 20 seniors did and did a good job at doing it. As the Huntington School teachers knew the students in CARE served as an inspiration to the students at Huntington. Everyone concerned with CARE knew the meaning of involvement because one day out of each month CARE would help the 6th grade students deal with such problems as alcoholism and drugs. The spirit, dedication and true concern of the CARE students made life more bearable for everyone concerned.

## THESPIANS

THESPIANS is a Honorary dramatic society with a minimum of 100 hours of work required for membership. This year's successes included: The Bad Seed, The Prime of Miss Jean Brodie, No Time for Sergeants, Picnic, and The Frosh-Soph One Acts which included: Fumed Oak, The Long Christmas, Dinner, and Sorry Wrong Number. This year Thespians had a very productive year.

## J.C.L.

The 75-76 J.C.L. (or more understandably called The Junior Classical League) started this year with a Saturnalia or Christmas party. As the year progressed they went on to sell delicious Ghiradelli chocolate bars. They also had a carwash. Some of their other activities consisted of a Roman Banquet and N.J.C.L. (National Classical League Convention). It's obvious the J.C.L. had a patrician year as opposed to a plebian one.

## PEP '75-'76

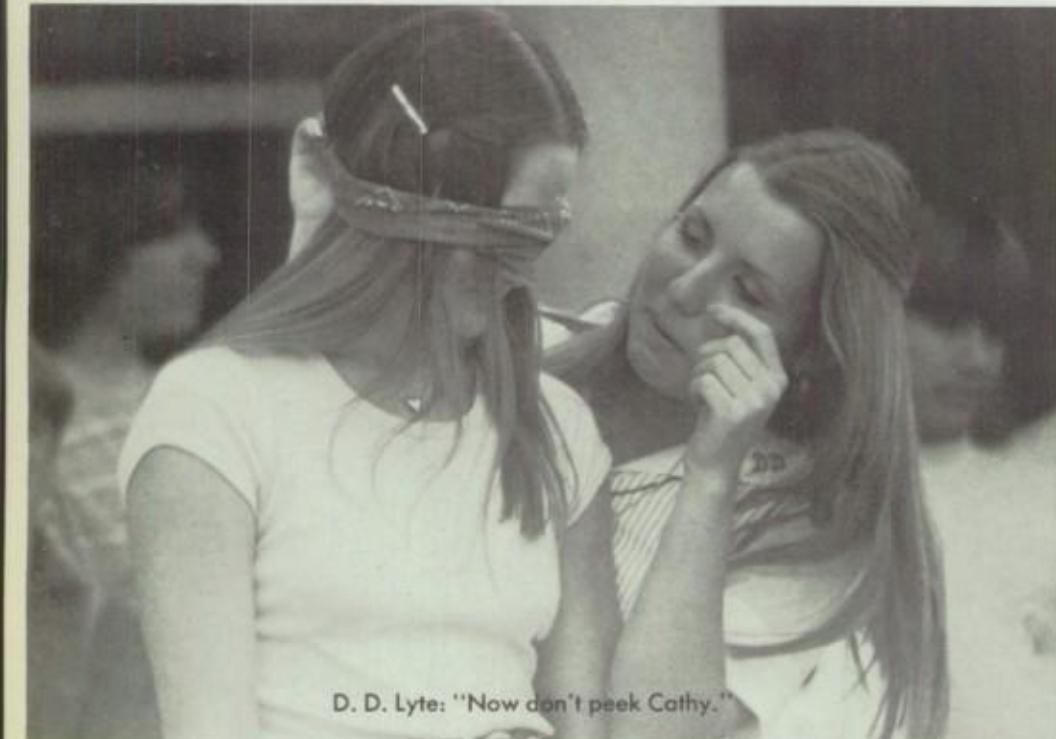

Kelly Herzberg swings to the sexy tune of Basin Street.

## PEP OFFICERS

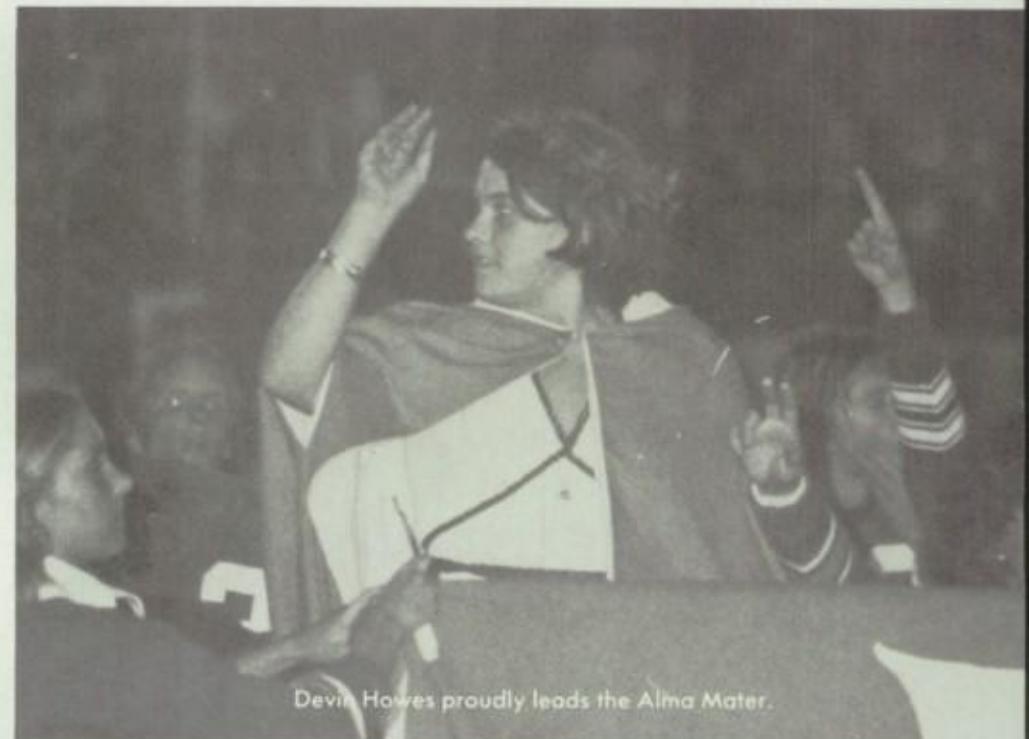

The 1975-76 Pep was headed by none other than Miss D. D. Lyte. D. D., Vice-President Betsy Bowman, Secretary Shawna Phillip, and Treasurer Marilyn Daw worked very hard to make Pep a success this year. Titan Mascot, Devin Howes, did an enthusiastic job of leading the singing of the Alma Mater and getting everyone involved in cheering at games and in attending the sports events. These five, along with advisor, Chuck Johnson, did a lot of the behind the scene work to make Pep run as smoothly as it did.

## PEP REPS

Who do you think painted most of the beautiful signs seen in the Central Patio? And who do you think did the ushering at all the football games? These chores were all brilliantly executed by the enthusiastic 1975-76 Pep Reps. These sixteen girls devoted many long hours to building spirit throughout the school, and although there were six more people in this group than there were last year, there was plenty to do!

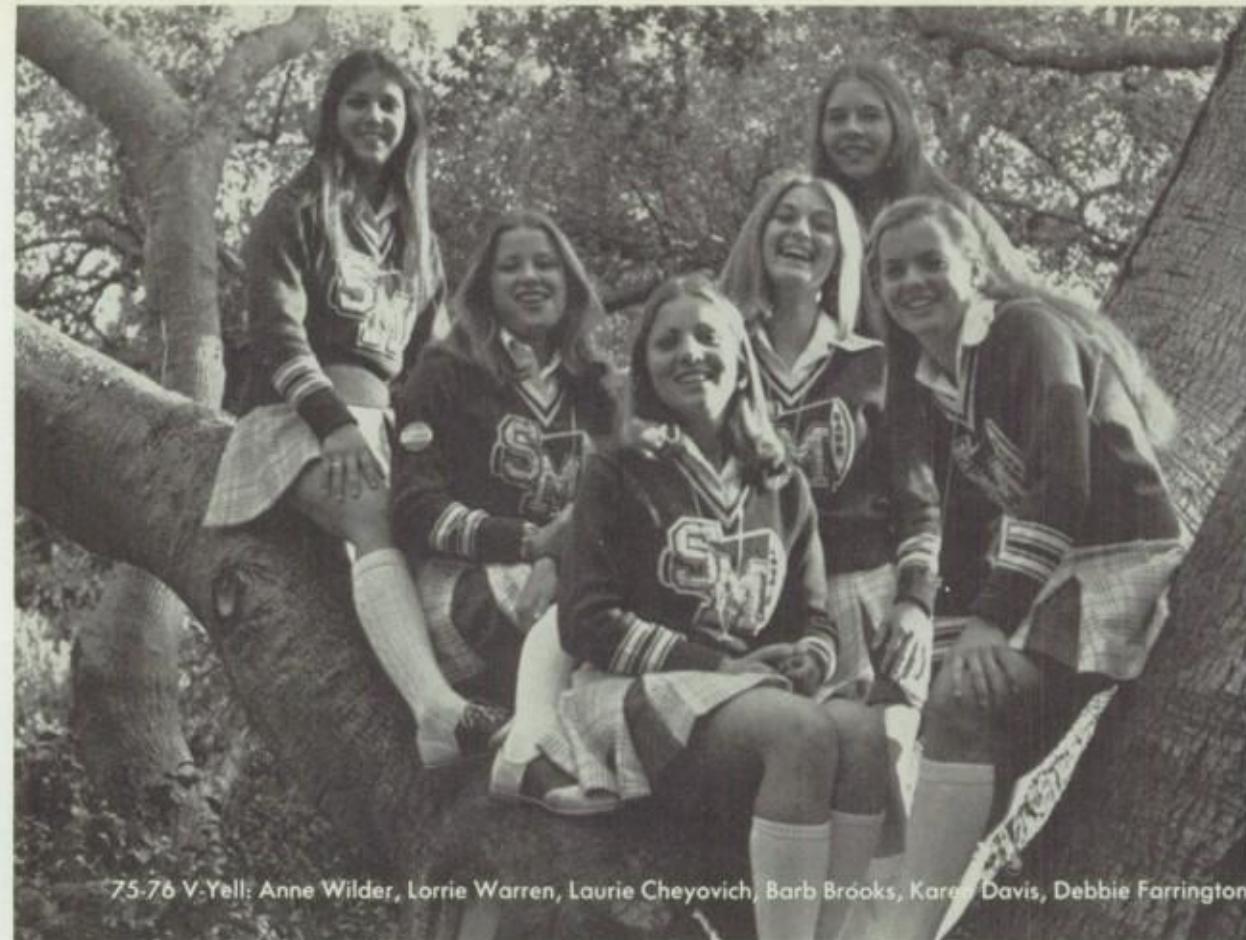

Carole Cunningham thinks a pleasing thought.

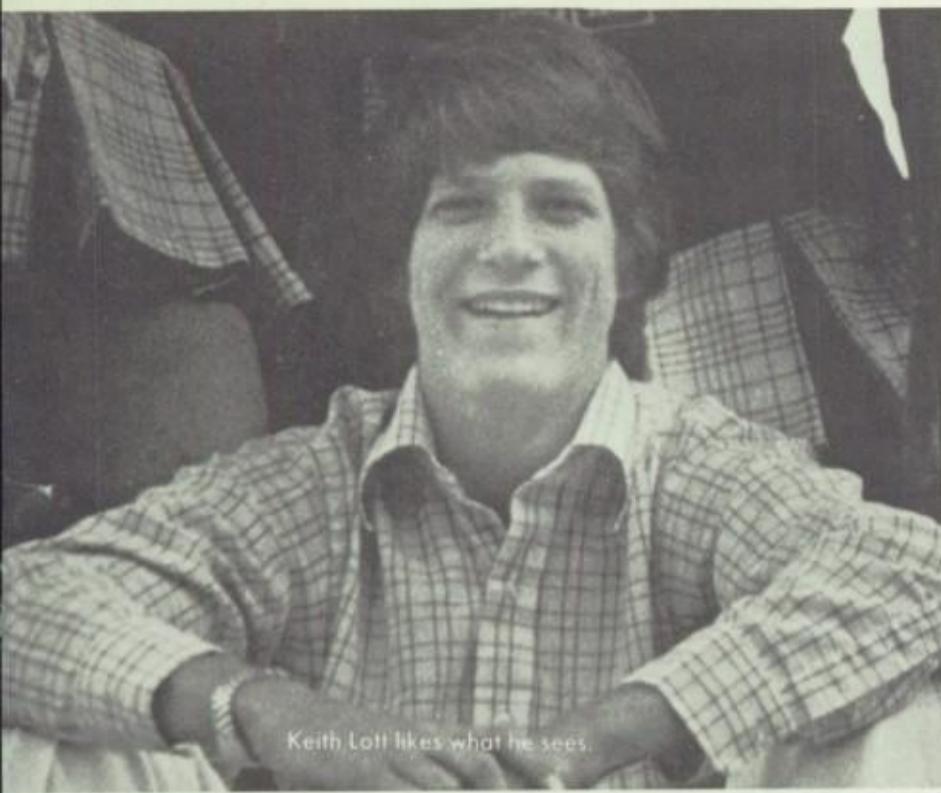

Wendy Rousselot gets everyone involved at a pep rally.

## VARSITY YELL

"Go get em, uh huh . . . go get em, uh huh . . ." The enthusiastic 1975-76 Varsity cheerleaders displayed great creativity and precision with their original routines. Members of this outstanding group could be quickly identified by their white Adidas tennis shoes. All in all, Anne, Debbie, Laurie, Barb, Karen and Lorrie did a fantastic job of supporting our fantastic athletic teams.

Keith Lott likes what he sees.

**VARSITY YELL**

A new addition to Pep this year, the male Varsity Yell Leaders did much to further Titan Spirit. These young men manned the mike at football games and added creativity to the girls' routines. Mike, Keith, John, and Bill were the beginning of something which, hopefully, will be a part of Pep for many years to come.

## SONG GIRLS

Blue and white pom-poms, garters, gloves and sexy routines — these words bring to mind San Marino High School's 1975-'76 Song Girls. Leslee, Kathy, Jane, Liz, Lynel, and Kelly did a great job at performing such routines as "Basin Street" and "Joshua." Being a Song Girl takes a lot of energy and these six girls have loads of it.

Lynel swings into action!

Kathy excels during "Sing a Song."

Kelly — "Hop 2-3-4 ... Kick 2-3-4"

Leslee: Oh no! Am I doing it wrong?

Jane shines a fabulous song girl smile.

Liz sparkles at a pep rally.

The Flag Girls of '75-'76 did an outstanding job  
this year. Their talent with the double flags was a  
great addition to the noon Pep Rallies. Their enthu-  
siasm and support to the teams was shown through  
their spirit at the games. Although Flag enjoyed per-  
forming as B-Yell at the Backwards Pep Rally, they  
all preferred being Flag Girls.

The '75-'76 B-Yell did an outstanding job in supporting the many Frosh-Soph sports this year. Their enthusiasm was also greatly demonstrated through their outstanding cheers like, "Hey Mama", along with the distribution of Team Homes and the excellent decoration of the Central Patio. ## TALL FLAGS

The 1975-76 TALL FLAG unit made much progress this year. Three of its members attended summer camp and the unit showed definite improvement. Tall Flags added to the excitement of Pep Rallies this year and added flair to the Marching Band. The girls also performed at basketball games, held a car wash, and helped to liven up the rooter bus rides.

## VARSITY FOOTBALL

Despite what seemed to be a season plagued with injuries to key players, our '75 VARSITY TEAM finished the season strongly with an overall record of 6 and 3.

Overcoming the unfortunate loss of quarterback Bob Johnson in their preseason upset to Arcadia, the Titans came back with vigor to win the rest of their non-league games. Taking over for Johnson, Chris Houge showed his promising skill as he passed to senior tailbacks Mark Tookey and Clay Kent, who in turn ran for long yardage.

On defense, halfback Kenny Hafers, linebackers Don McMillan and Dennis Moore dealt out some punishing tackles that kept the opposition prepared for the worst.

Although ending up 3rd in Rio Hondo League because of 2 end season losses to rivals T.C. and South Pas. our Titans made it into C.I.F. (yea!) The skills that our varsity men demonstrated this season, prove that they indeed were a team to be proud of.

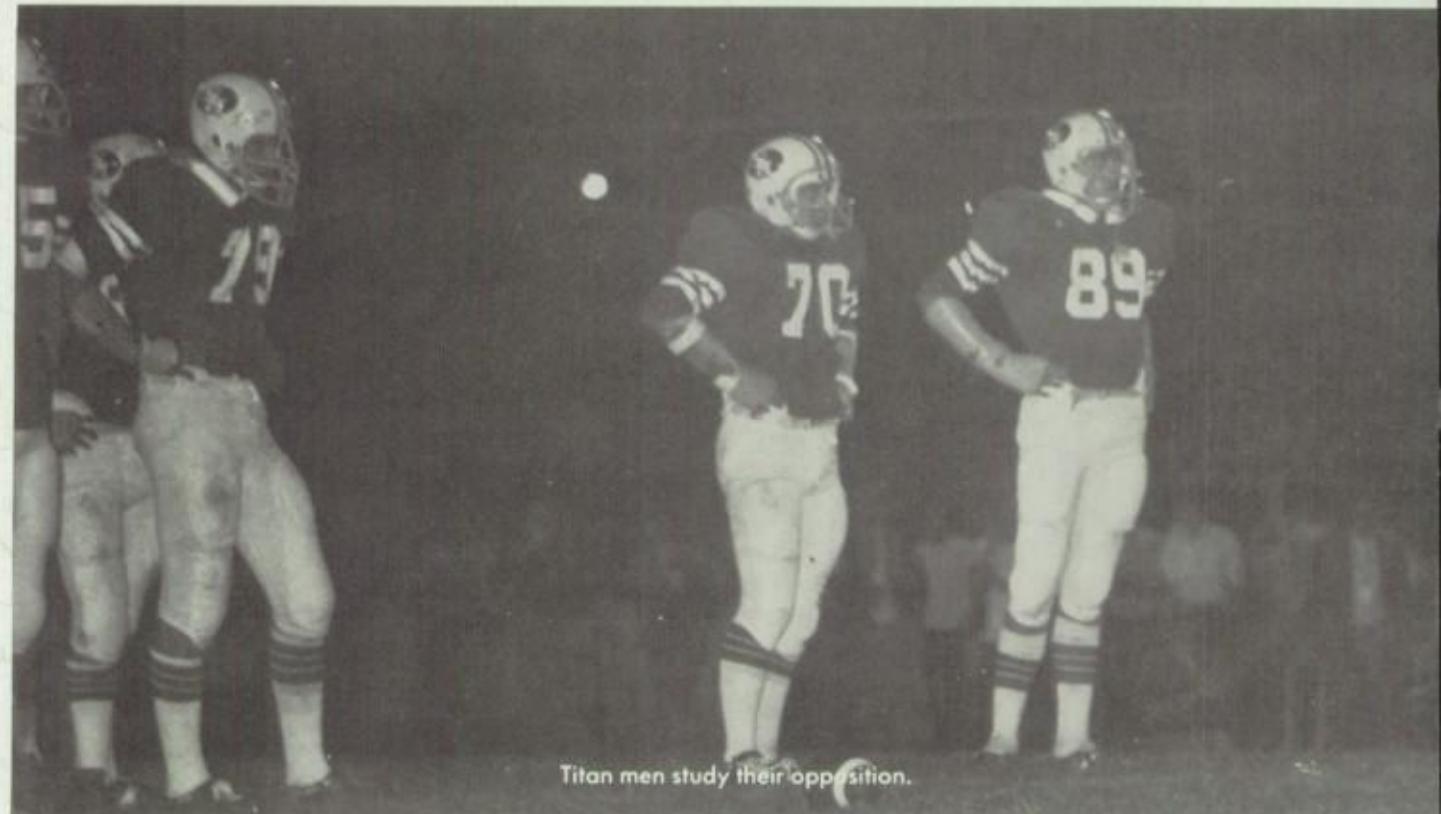

Chris Houge goes for a 1st down.

## J.V. FOOTBALL

The success of next year's Varsity Football is almost guaranteed due to the experienced players that are coming from this year's JV FOOTBALL TEAM. Once again Mr. Udell and Mr. Crist have combined coaching skills to teach all of these young men what they need to know about offensive and defensive moves. Several players can be sure of making the scene next year — John Scott, Eric Robison, Brook Wells and Kenny Banks. These along with the returning Varsity Players are sure to play a major part in our Titans '76 bid for CIF contention.

Titan finds it rough going up the middle!

GO GET EM

## SOPHOMORE FOOTBALL

Many future prospects for next year's Varsity and J.V. teams lie waiting in Coach Maloney's SOPH. TEAM. Although their season record ended a disappointing 4-5, the team possessed quite a few able players. Both Scott Rose and Scott Rebstock executed many fine moves which, besides leading the team to a decisive victory over Temple City, led to their promotion to the Varsity squad for our C.I.F. bout with Santa Ana. We can expect that this year's experience will be next year's victory!

## FROSH FOOTBALL

It is usually assumed that the FROSH FOOTBALL team will end their season with a disappointing record; yet this year proved that tradition wrong with their 5-4 season. Maybe it was due to the coaching efforts of Mr. Kleinrock or maybe to the outstanding players, two of which are Bert McKee and Ken Cunz; Most likely it was a combination of both. Either way, the '75 freshman football team is something to be proud of.

## VARSITY CROSS COUNTRY

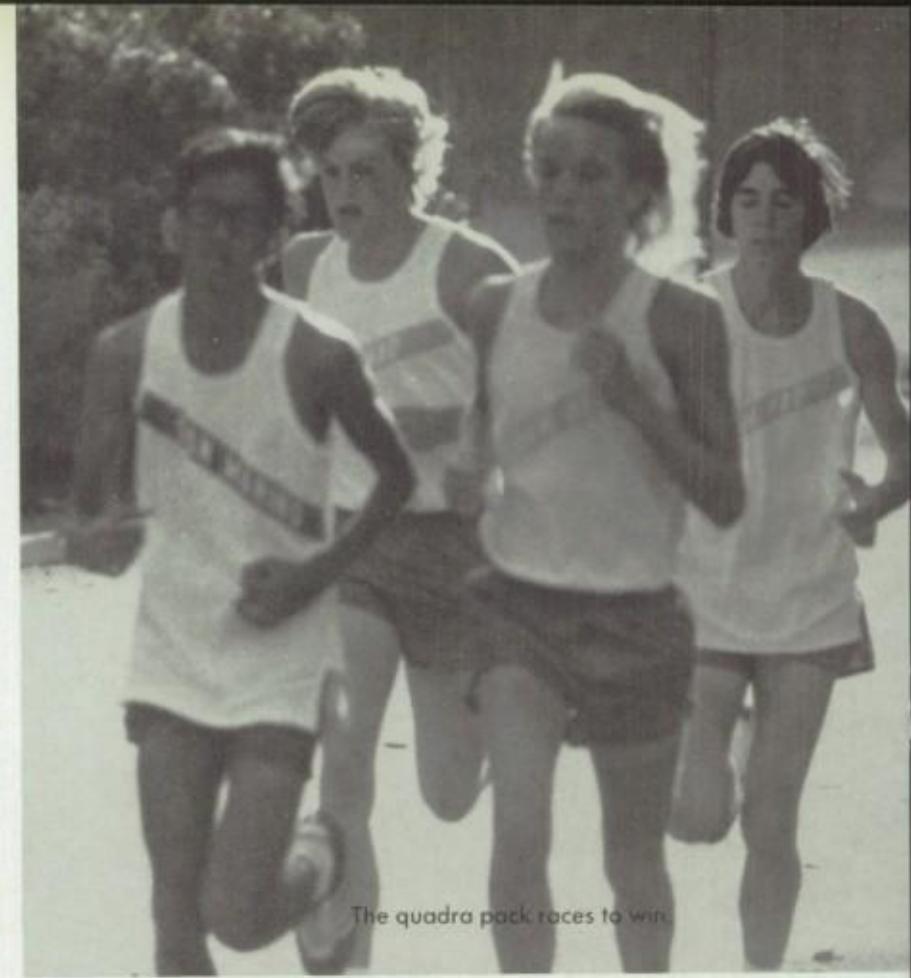

"Total team effort is a key to success," says Coach Ryan. The 1975 VARSITY CROSS COUNTRY TEAM under the leadership of co-captains Peter Koenig and Chris Long, proved this with their impressive win at League Finals. Some of the outstanding members were Peter Koenig, Tony Martin, a sophomore who ran a fantastic 10:05 on the Lacy Park course, Steve Hayward, and Brett Van Steenwyk, who has made vast improvements this year. Beating La Canada was one of the reasons why, in Chris Long's opinion, that this was "one of the better seasons" for Cross Country. Indeed it was a good season and Coach Ryan congratulates this year's varsity and looks forward to the upcoming varsity team.

The JV CROSS COUNTRY Team, in keeping with tradition, won League Finals again this year. Their season record of 10-1 was hard earned and they truly deserved the title of League Champions. ## FROSH-SOPH CROSS COUNTRY

Combining the Sophomore's experience and the Freshmen's will to learn, the FROSH-SOPH CROSS COUNTRY Team proved itself worthy of winning League Finals. Their season record of 5-2 was a result of their determination and dedication. Tim Long, Honorary Frosh-Soph Captain, along with Steve Wilkinson, Charlie Martin and the other hard working Freshmen and Sophomores, made this team "as good as any Frosh-Soph team we've had" according to Coach Ryan. Team unity was manifest in this group and it helped them to a winning season.

## GIRLS' CROSS COUNTRY

Having started from scratch, in that we never had a girls' team before, the GIRLS' CROSS COUNTRY Team did exceptionally well this year. An unusual combination of seniors, one junior, one sophomore, and some strong freshmen made up the team's membership. They won second place at the Southern California Girls Championship, where Cammie Lusko placed 10th in the varsity division. The girls also won 4th place at the Santa Barbara Invitational which was great considering that the girls ran against 1A through 4A schools. The top runners were Cammie Lusko, Ginnie Thompson, Terri McClure, and Norma Flores. This was a good start and the girls are looking forward to a C.I.F. championship next year.

## VARSITY WATERPOLO

Once again the VARSITY WATERPOLO team advanced to the CIF Championships. The team had a very successful season following an outstanding 9-1 record. With the help of outstanding all league players as Louis Caron (Captain and Most Valuable Player), Mike Elleman (1st team), Bill Banks, Steve Miller, and Jeff Davis (all 2nd team), the team clinched the title of the 1975 Rio Hondo League Championships. Coach Haltom predicted La Canada to be one of the toughest games of the season. As it turned out it wasn't much of a contest. San Marino aced them out twice with scores being an impressive 14-7 and 8-7. Some of the Varsity's more impressive wins were La Salle 28-5; Temple City 11-4, and in the first round of CIF Notre Dame 21-4.

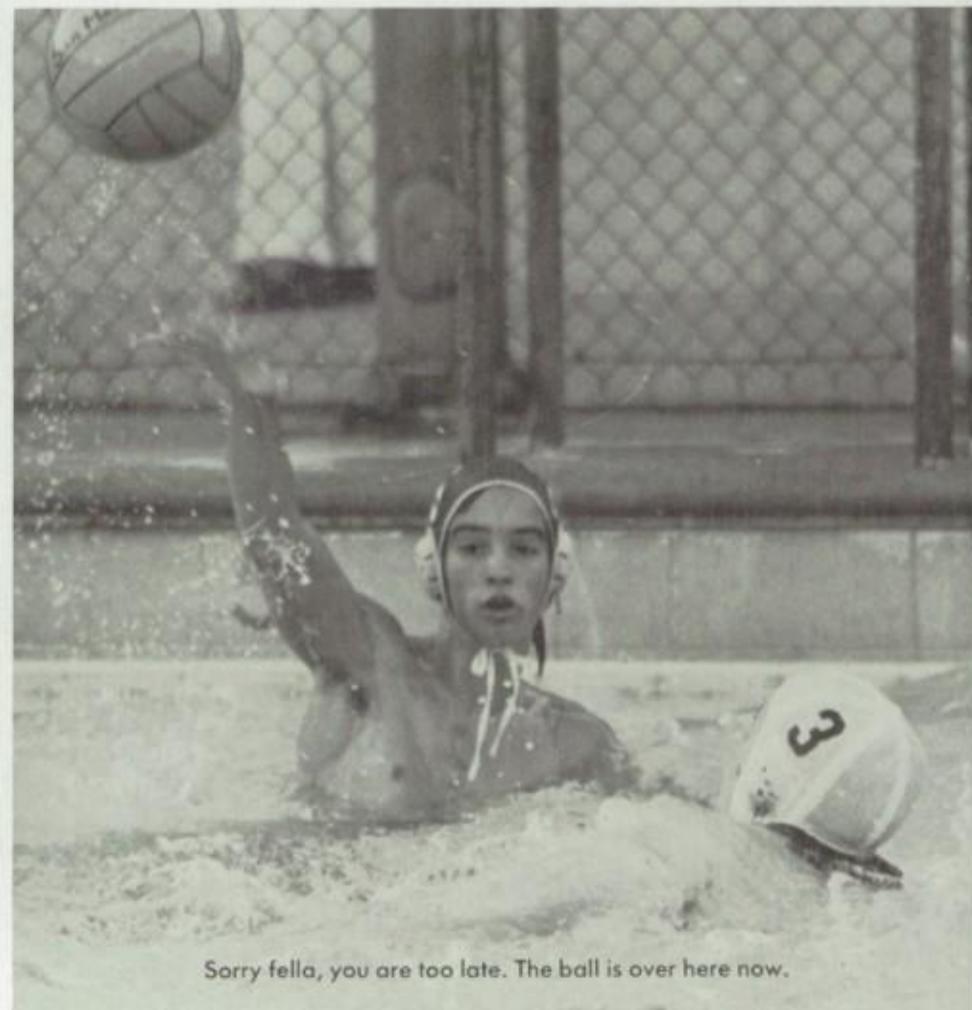

Chris Smith hurls it past his opponent.

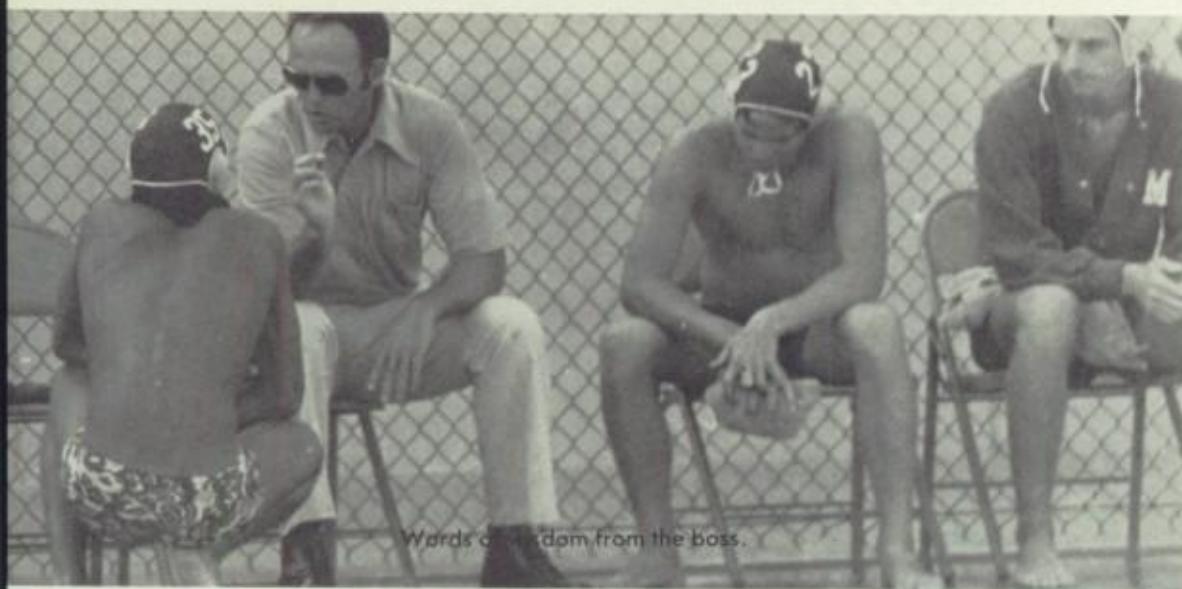

Wayne Hughes gives it all he's got.

Steve Cooper gets one by his opponent.

Sorry fella, you are too late. The ball is over here now.

Words of wisdom from the boss.

Mike Elleman lets it loose.

## FROSH-SOPH WATERPOLO

"We're definitely the best team that's ever played for this school." Commented by Ryan Harrison, a member of the 1975-76 FROSH-SOPH WATERPOLO team. For the first time in San Marino's Waterpolo history, the team beat Muir in which they showed their greatest offensive side, with the final score being a fantastic 5-0. By defeating Muir, the team claimed the first place trophy in the Chaffey Tournament. Leading the point scorers was Carter Grant with Ryan Harrison close behind. Though the team suffered only one loss to Edison (2-1), the Titans proved their defense was ready and on the job. The Frosh-Soph team has made such a tremendous impression with their aquatic abilities, they stand a good chance in clinching CIF next year.

## GIRLS' VARSITY VOLLEYBALL

Success was definitely the keynote for the 1975-76 GIRLS' VARSITY VOLLEYBALL team as they went to the Quarter Finals in CIF 2A Playoffs. The team was sparked by the excellent setting of Chris Manders and Robin McDonald while the rest of the team did the sharp spiking on the opponent. The highlight of this year's season was the CIF Playoffs. In the three games, the standouts of this strong and versatile team were Joyce Johnson, Kris Lewis, and Robin McDonald. All were a tremendous help to the team. Kelly Egan and Chris Manders made the all 1st league team while Joyce Johnson made the 2nd team. With all the excellent ability and talent this team shows, it would be no surprise to see this team go all the way through CIF next year.

## GIRLS' JV VOLLEYBALL

Under the guidance of Mrs. Kirk, the 1975-76 GIRLS' JV VOLLEYBALL team fought its way to achieve third place in the Rio Hondo League behind long time rivals La Canada and South Pasadena. With teamwork and great individual effort that each member contributed, the team improved rapidly and finished the season with a 10-4 record. Outstanding efforts were contributed by Sandy Erickson, Chris Foran, and Carolyn Paine in the games against Mayfield and South Pasadena. As the season progressed, efforts of the team were greatly improved by Joan McGoldrick, Katrina Coombs, Cheri Pheiffer and Joanne Harding. It certainly has been a fantastic year for both Volleyball teams and will be for the coming years.

## GIRLS' VARSITY TENNIS

The 1975 VARSITY GIRLS' TENNIS Team, for the first time in the history of the school, won their C.I.F. Championships. "The girls were compatible and had fun playing together," says Coach Bryant. Although they had fun, they worked very hard and ended with a perfect 7-0 record for the season. The team was led by Alicen Armstrong, Kirby Marsh, and Elizabeth Gessford. We commend the Varsity team for their outstanding performance this year and hope to make it a tradition.

## GIRLS' JV TENNIS

The JV TENNIS Team matched the Varsity squad with another great season for 1975. Led by Mindy Schneider, Cindy Weaver, and Megan Mott, the team had a 7-0 record. "This year's JV team was very strong," comments Coach Bryant. "They could have beaten half of the varsity teams from the other schools we played." The team's success was partly from the experience of the older players and the will to learn of the younger inexperienced players. The JV tennis team has never lost league and we hope it will always be that way.

## GOLF

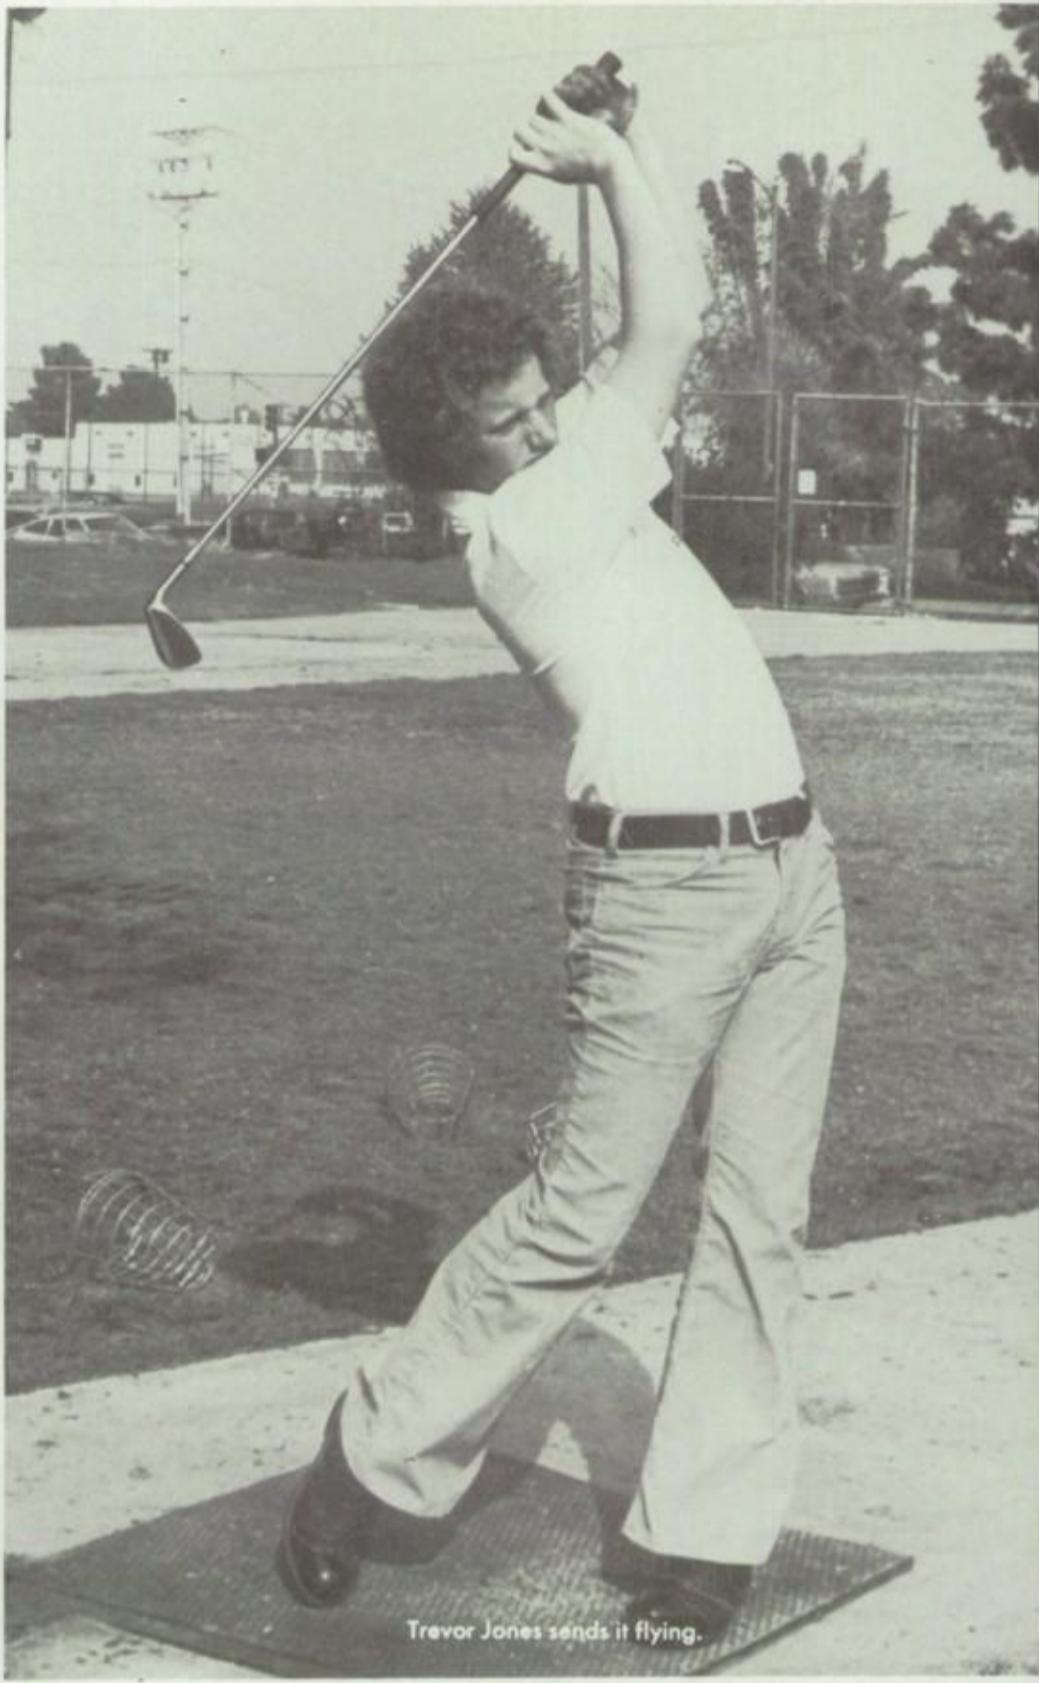

The defending Rio Hondo League Championship golf team teed off this year with a good start. This year's top five Varsity players include no. 1 Howdy Doan, Trevor Jones, Captain Mark Schowe, Steve Hoyt and Bill Leydorf. Coach Jack Bradford adds that Jeff Campbell and Mark Jones are strong contenders for Varsity positions.

Because of last year's sixth place finish in over-all CIF competition, this year's golf team is striving for at least a comparable finish. So far the team has won one match and tied two. The squad defeated Crescenta Valley easily in the opening match, looked weak in a lucky tie with Burroughs, and very strong in a match with South Hills, in which the top five scorers averaged 39 strokes per man for the nine hole competition.

In Rio Hondo League action, La Cañada appears to have replaced Temple City as the closest competition for a championship. The top two teams are chosen for CIF team competition.

## VARSITY BASKETBALL

For the second year in a row, Coach Dan Mooney has put together a winning CIF contending basketball team. Along with the efforts of returning starters Mike Campagna and Roger Anderson, Brian Ulf, William Rutz, and Chris Houge have worked hard to create a lineup that's strong in both offense and defense. With Nick's unbelievable distance bullets and Billy Rutz's dunks, victory has come quite easy for our mighty Titans. Mooney's backup players or "puppets" as they're often called are all capable and good and provide a strong reinforcement for what is definitely one of our strongest Varsity Basketball teams ever.

## JV BASKETBALL

Greg Houge, Mark Talt, and Dan Skaff led the 1975-76 JV BASKETBALL team to another successful year. They beat Duarte with an impressive score of 85-62. Their record, at that time, was 6-1, and the team was looking forward to a profitable season. The team was mainly Juniors and Sophomores so we can look forward to an outstanding Varsity team next year.

## SOPH BASKETBALL

Due to the outstanding efforts of Bill Garrett, Miles Shanks, Jim McManus, John Sprein, frosh starter Jeff Capehart, and all the other team members, the 1975-76 SOPH BASKETBALL team has a very good chance, at this point, of winning League Championships. After losing a close game to Crescenta Valley in the championship game of the La Canada Sophomore Tournament, the sophs played one of their best games against Alhambra, winning it 54-51. This is possibly the best sophomore team in San Marino High's history. "The sophomores are a close team with super desire, and they play great defense," observed Coach Cameron. "This team should be a varsity CIF team their senior year."

## FROSH BASKETBALL

The 1975-76 FROSH BASKETBALL team started out slowly this year, but improved noticeably. The team has good ability and used this year to learn the necessary tactics which make a winning team. "They played a number of close games," remarked Coach Crist. The freshmen, led by John Platz, Bill West, Bob Denny, and Bob Helm, defeated Duarte with an impressive score of 40-38. "This was a very good defensive game for us," commented Coach Crist. With this year's experience, the Frosh Basketball team will surely be the soph champs of next year.

## JV WRESTLING

Second in league . . . was the rating that the 1975-76 JV WRESTLING team achieved after a four win and one loss season in the Rio Hondo League. Although half of the JV team consisted of Freshmen, they did exceptionally well with only a few problems in the beginning of league. But once the team got involved in league, they ironed out those problems and proved to be a strong, well put together team. Fred Sohl and Dave Stone, both excellent wrestlers, aided the team in a superb match against La Canada when the Titan matmen crushed them 46-3. With the new beginning talents that these wrestlers show this could be an outstanding team in two years when they will be Varsity men.

## VARSITY WRESTLING

Sixth-year head wrestling mentor, Coach William Maloney, led the 1975-76 VARSITY WRESTLING team to another successful year. Although they started off slow, they improved greatly so at the end of the season they placed second in the Rio Hondo League, behind Temple City. With a few returning Varsity men such as Craig Kornblau, Kevin Godycki and Frank Strnad, the Titan matmen placed second in the second round of the Long Beach Jordan meet, third in the Arcadia meet and fifth in the Rolling Hills meet. Matmen capable of going to CIF competition were Carl Hulick, Timm Crull, who both racked up the most pins in competition, and Randy Kinkle. Although they placed second in league, the wrestlers put up strong competition in a very exciting match against Temple City. San Marino lost by a mere one point. Nearing the end of the season, two former JV players, Keith Lott and Jim McCrea advanced to aid the Varsity team.

## VARSITY SWIMMING

The 1975-76 VARSITY SWIM team, under the six year tutelage of Coach Burt Kanner, was again favored to win CIF competition. Free style events were sparked by senior Mike Elleman who was a standout of the team. He broke records in the 50 (21.9) and in the 100 (47.7). With the help of Mike Harrison, Lou Caron and Ron Kerman, they helped round out the team to give San Marino greater strength in getting closer to the Rio Hondo League title. Although San Marino placed fifth in the El Dorado Relays, this was overlooked by the many individual performances of the Titan tankmen, who for many seasons have been excellent and each year are getting better.

This years 1975-76 FROSH-SOPH SWIM team is one of the best the schools ever had. To start out their season, they placed first in the El Dorado Relays. These four produced a record time in the 400 freestyle in the Tartan Relays in 3:41.0. Also, freshmen Matt Wood and Reid Francis. Both have set new records. ## VARSITY BASEBALL

Coach Mickey McNamee's 1975-76 VARSITY BASEBALL team found the road a little rougher this season with only two returning lettermen. It was obvious that the Titan nine would really have to pull together and play good defense along with accurate pitching to defend their league championship. The outfield, a strong point of the Titan team, was made up of Mickey Torcasso, a centerfield who is very fast and accurate, Will Rogers rightfield and batting champ, and Danny Johnson, leftfield. Two members who showed excellent performances in the preleague games were Howie Detmer and Jim Gott. Howie Detmer, an outstanding pitcher, pitched a no-hit no-run game against San Gabriel. The second no-hitter in his career for SMHS. Jim Gott, outfielder and pitcher, is proving to be one of the best baseball players in SM history and also a very good pitcher.

## JV BASEBALL

Under the guidance of Coach Martin Udell, the 1975-76 JV BASEBALL team was predicted to face their hardest competition against Temple City. In the first pre-league game, Paul Samp pitched a fine shut out victory. Danny Skaff, who reported to the diamond wars late in the year, has turned out to be very good with both glove and bat. Bill Becker, catcher, is very defensive in his position and at bat. With hard work, concentration and the will to win, they possibly will win the league.

"If our players work hard, put in the time necessary and decide they want to win, we could win the Rio Hondo league." These are the expectations of first year Coach Kleinrock of the 1975-76 FRESHMAN BASEBALL team. Keeping these expectations in mind, their strongest competitor will be La Canada. With Steve Little on first base, Mark Plamondon pitcher and David Brackett outfielder, they will help spark the team off to a good start. This learning team has some very good hitters. ## VARSITY TENNIS

The 75-76 Varsity Tennis team is led by two super stars, Bob Cornelison and Jim Slaught. So far both have been very impressive. Following Bob and Jim are the first doubles team of Brian Borneman and Scott Rebstock. Phil Davis is the third singles player. Other players that make up the Varsity and J.V. teams are Neil Spector, Tom Tolles, Bill Wenzlau, Miles Shanks, Chris Markey, David Dudley, Jeff Johnson and Mike Mulfinger. The team also includes some outstanding freshman talent of John Erickson, José Pérez, Steve Warren and Peter Millsap.

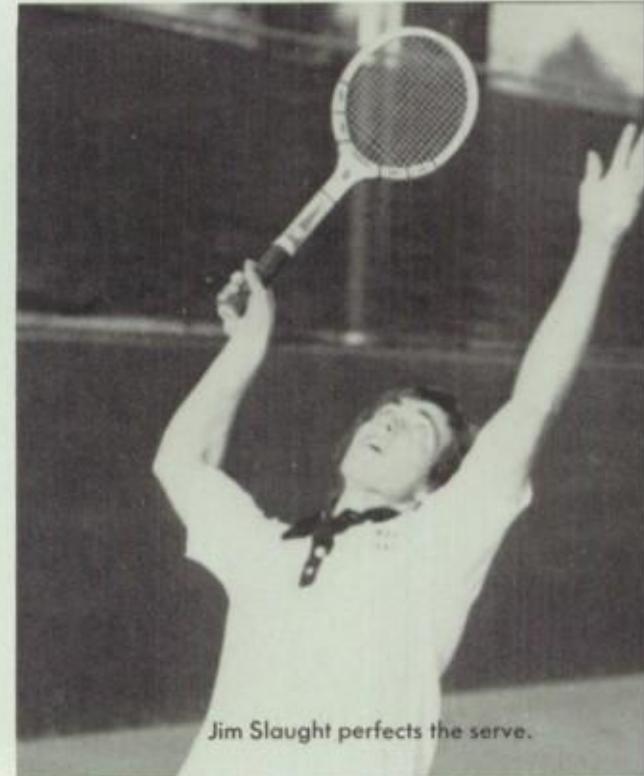

Coach Whitfield believes that South Pasadena will be the toughest competition in the league but from the potential the team has shown, San Marino should win the league again and hopefully repeat as CIF champs.

## GIRLS' VARSITY BASKETBALL

Lots of practice and good coaching from Mrs. Murray have proved to be a successful combination for our Girls' 1975-76 VARSITY BASKETBALL team. Their record so far of 5 wins, 3 losses, is a good example of the strength and ability that all the girls possess. With the fine efforts of senior Kathy Black and her junior teammates, Kelly Egan and Joyce Johnson, this young team has displayed excellent potential all around.

## GIRLS' SWIMMING

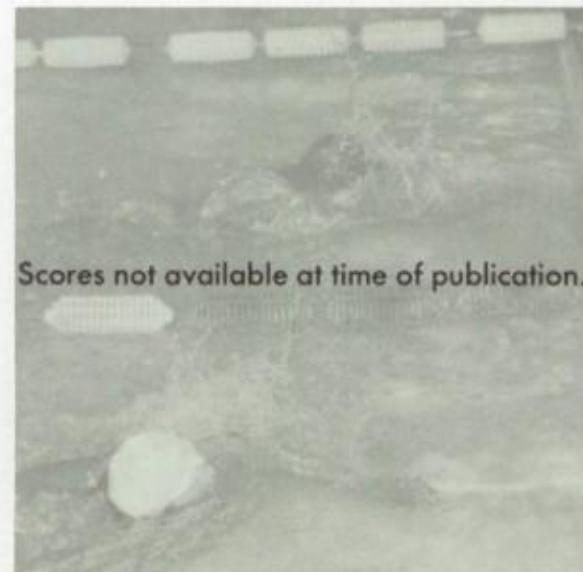

Although this year's GIRL'S SWIM TEAM has barely started, high hopes are held. With a lot of hard work, this year's top stars, Kris Lewis, Maria Corzo, Wendy Davis, and Brenda Gallagher, should qualify for CIF Finals with the possibility of some others. Some new members to this year's team include Christina Vance, Julie Haupt, Katrina Coombs, and Teri Saliba. The Varsity and Junior Varsity both should be very strong with a lot of depth. San Marino's toughest rivals are Arcadia and La Canada but with the performance so far, San Marino should take 1st in the league in both Varsity and Junior Varsity.

## VARSITY TRACK

Although the 75-76 track season had barely begun, Bill Maloney, the team's head coach, has already predicted that this year's track team will do a fine job of representing San Marino in future track meets. Coach Maloney specializes in working with the pole vaulters, hurdlers, and high jumpers. He feels that with a lot of hard practice and team effort this year's track team has the ability to be a great success! Coach Ryan, who is in charge of middle and long distance runners, tells it like it is . . . "There is exceptionally good spirit and dedication on the distance team." Coach Arms instructs all sprinters. This includes the 100 and 220 yard dash and the 440 yard relays. He believes that it is to the athlete's advantage to work independently because it gives each person the chance to rise to his top performance according to how strenuously he works.

Guy Gadbois gets those legs up!

Brett Van Steenwyk completing the agonizing 2 mile race.

Peter Koenig crosses the finish line of the mile.

Peter Elieff going high over the bar.

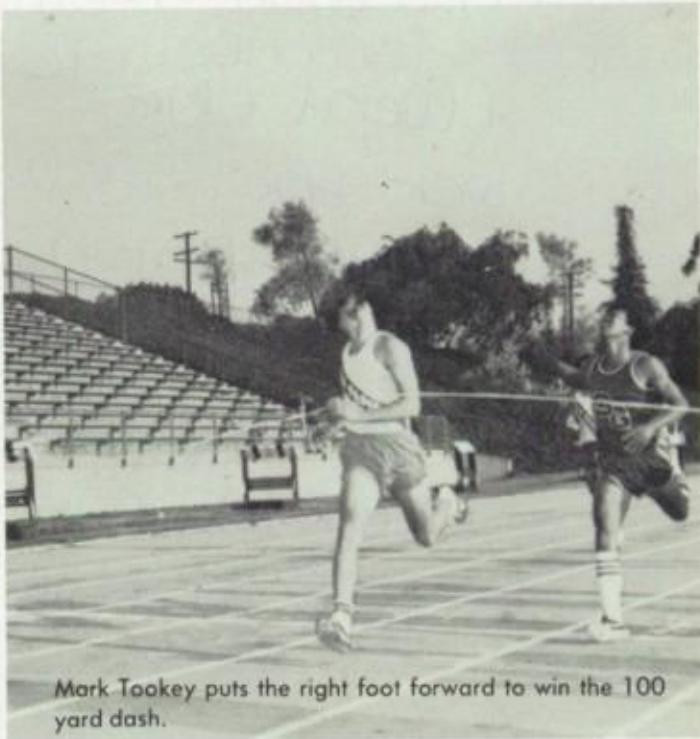

Tom Bea jumping high hurdles at San Gabriel pre-season meet.

## VARSITY TRACK (continued)

Coach Crist heads shot put, long jump, the 440, and the mile relay. Mr. Crist is quoted as saying that the guys work on an individual basis in terms of their event, but track is a team sport considering the point spread and team morale. Coach Crist says that the guys on track like working at their own speed because it shows them how they stack up compared to everyone else. And no one can do the work for you! Considering the expectations of the four coaches, the San Marino Track Team showed a lot of potential in becoming the Rio Hondo League Champions.

Peter Elieff holds his breath as he attempts the high jump.

Mark Tookey puts the right foot forward to win the 100 yard dash.

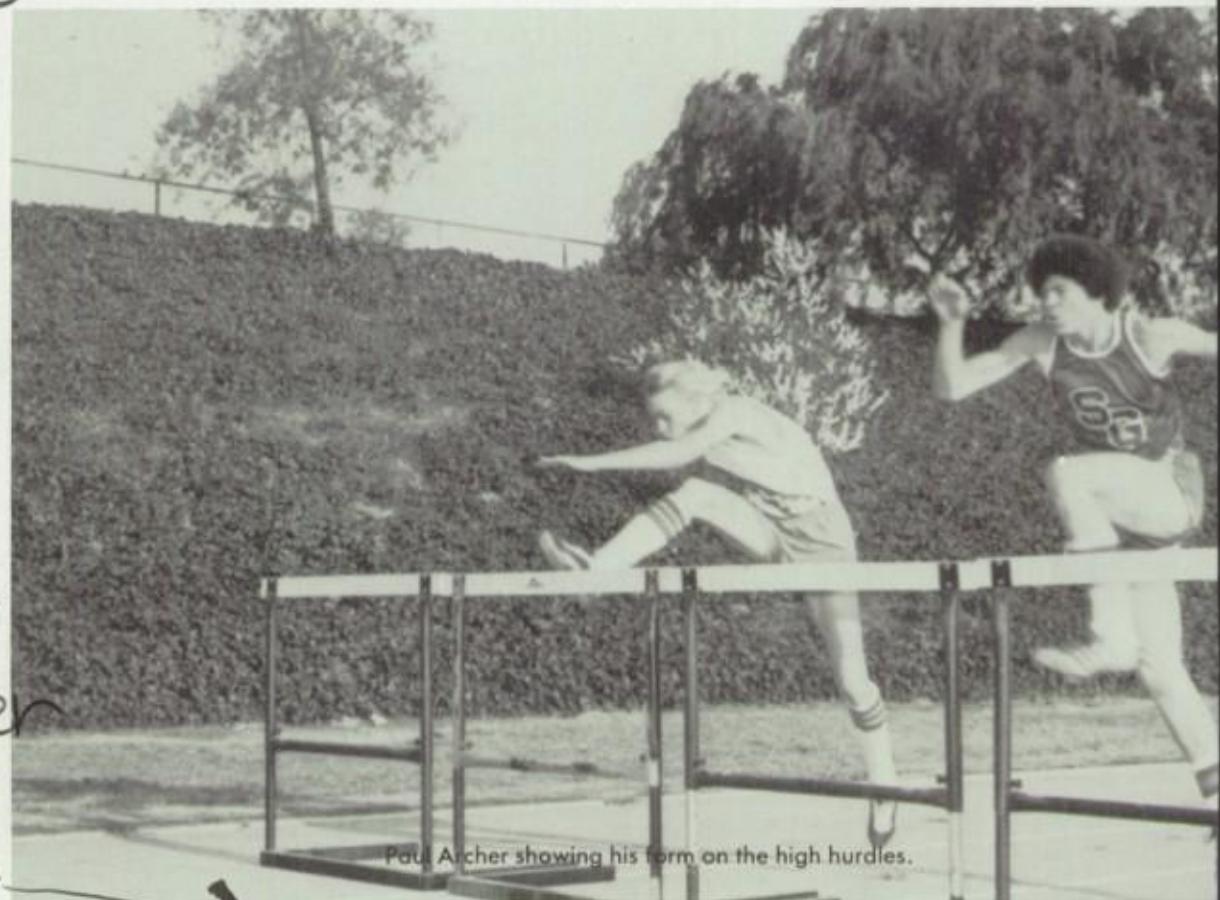

Don Bonner takes a dive.

Row 1: E. Robison, T. Fraker, B. Johnson, M. Tookey, C. Diggins, T. Martin, M. Hidalgo. Row 2: D. Bonner, G. Gadbois, S. Silk, M. Wofford, R. Payne, C. Long, C. Kent, M. Hesse, B. VanSteenwyk. Row 3: S. Pomerantz, J. Scott, Coach Maloney, T. Bea, J. Clark, S. Hayward, J. Manasen, P. Koenig, Coach Ryan, J. Rellas, J. Barna, C. Jones, W. Campbell, D. Sinclair, Coach Arms, M. Radnich.

Suzette,  
 well babe, I guess everything  
 turned out O.K. after all. You  
 were right, this year has  
 been one of the best. I honestly  
 don't know how to thank you  
 for helping me in the first  
 few days + then for all the  
 things you've done this whole  
 year. I only know that we're  
 assured of millions of good  
 times next year. I guess all  
 of our dreaming came  
 true when chaining  
 was over. I just can't  
 believe it. There really  
 is just too much to  
 say. If I went the  
 "remember the time we"  
 route I'd never finish,  
~~be~~ so I just want to  
 remember everything,  
 good + bad, + you too.  
 OK. You know, I've never  
 had a friend like you,  
 & I probably never will

## JV TRACK

This year's JV track team showed very early signs of outstanding performance. These promising signs were shown at the first pre-season track meet against Hoover, the second pre-season meet against Gabriel, and the Invitational with Temple City. A position here on JV track is more or less a stepping stone to achieving a high level on the varsity team. This leaves room for considerable improvement in each event. It also gives each person the chance to accomplish the goals he sets for himself at the beginning of the track season. With some new additions to the team, it will hopefully make it that much easier for San Marino to defeat its two long time rivals, La Canada and Duarte. With all of the team spirit and support the guys give each other, this will be a small task. The Titanic Staff wishes all the luck to the 75-76 Junior Varsity Team in being as successful this year as they were in past years!

Row 1: J. Fleming, D. Jones, D. Smiley, T. Crull, B. Ott, T. Afzal. Row 2: D. Bilitch, T. Lillard, A. Cunha, K. Park, R. DeRienzo, S. Norton, P. Archer, D. Lynn.

## FROSH-SOPH TRACK

San Marino's Frosh-Soph Track Team is on their way to another triumphant season in 1975-76. There are many outstanding athletes on this year's team. Backed by Coach Crist, Mark Rosenthal and Matt Arnett have made remarkable accomplishments in long jump and the 440 respectively. Steve Mott, Porter Norton, Mark Rosenthal, John Sprein, and Brent Lund combined their running skills to provide San Marino with a successful sprinting team, coached by Mr. Arms. Trained by Coach Ryan, Tim Long, Charlie Martin, Ron Satchell, and Will McCully show signs of strong middle distance runners. Sophomore, Tony Martin, is definitely a vital part of Coach Ryan's long distance team. Tony's specialty is competing in the one mile and two mile races. With the ambitious attitudes of everyone involved, it is a sure thing that this year's Frosh-Soph Team will become future track stars as Juniors and Seniors at San Marino High School.

happens, I want us  
to try & stay together

farther apart.

SUZI,  
Ever since you moved next door this block has never been the same!  
This block will never be the same either: YOU and your FRIENDS! I have  
not been able to get any studying done around here, and what about the  
sleep you nob me off! I just kidding. This year has really been a fun  
year. The time you had that birthday party at 6:00 in the morning, and

The time you had that dinner party for  
no reason at all, and then we got at  
Winchells for home the night arguing  
about what to do. Then I get two girls  
in my car who I don't even know and somebody  
says "They went to Fletchers" instead of Flicks!  
Oh well I guess that as good a way as any

to meet Carrie  
and Carol.  
Many a time  
when I ~~would~~ would  
be driving around  
S.M. I would see  
a bunch of people  
with millions of  
girls hanging out  
I just say to myself  
"It's SUZI,"

say is if you  
had not moved

SUMMER  
VACATION!

Today is the first day of the rest of your life!

The  
Begin-  
ning. . .

The  
End. . .

High School is the whirl of fall  
leaves  
swirling across a road at  
twilight.  
It's a silver-plated megaphone  
dangling  
from a dainty chain.  
It's buying all the latest  
fashions,  
then babysitting.  
It's meeting friends,  
watching the winning  
touchdown  
and experiencing  
the thrill  
and sweat  
of a lockerroom  
after the struggle.  
High School is cramming  
for an exam  
that you'd rather forget.  
It's a shiny gold ring that  
catches the light  
and a charm bracelet with  
scattered memories.  
High School is growing up, and  
growing up is wishing you  
were young again.

Dear Suzi,

What can I say? You have been such a good friend this year. We've been so weird together. Flag Tryouts were great! A total blast, and I'm so glad you made it! I remember trying to teach you double-flag! What a crack-up! But next year you'll be teaching me another routine (sooner or later) I bet it? I never give up do I? Well? ~~Ha~~ Guy there is so much to say, but no more room so I'll just say you are so special to me + I hope you won't forget to call over the summer. I really love you.

I hope that flag won't go to your head (Ha Ha.) meaning your nose!

Dear Suzi,  
Well what can I  
say. We don't know  
each other too well  
but I know you a lot  
better now. We will  
have to get together  
this summer. Well see  
you later. ~~Sorry~~  
Suzi,

I still can't  
believe it! I'm so glad  
you're getting along together. You  
are a friend now, but  
I have a feeling by the  
end of the year we are  
going to be closer &  
more like this summer.  
I won't have to  
worry about losing a good  
boy like you.

Lone-  
shrike

Well, next year will  
be really exciting  
and I know  
you'll be a  
great flag girl!  
Take care  
Carol

Dear Suzi ~  
our future flag  
girl!  I'm truly  
glad you made it, you  
looked so cute up there, you  
really deserved it. I hope we can  
be closer friends next year, because  
you're so fun to be with and I really  
feel happy when I'm  
with you (sounds weird, but...)  
Also, I really  
hope I am the you are  
going to a nice Richard  
one

1709 Suzi -  
It was great  
seeing you in the  
class of '78.  
+ you kinda  
got up some  
great summer  
you're in my  
life. I know  
you're gonna  
be all the way  
you're so full  
of life.

Dear Suzy -  
Can't tell you how happy I am that you are  
fine, 'cause I'm sure it couldn't happen to a nicer Richard  
person. John told me he'd love to see ya cause  
you're such a neat person, and I most definitely  
agree. I hope you're in some of my classes in '77.

Love always, Beth Garrett I'm kinda  
running out of  
room so, I'll say,  
let's get together  
and go to the  
beach this summer  
or something!  
Take care.  
Love always  
Allison

Suzi - it's so good you came into this class at semester or I wouldn't have known you half as well. I'm sure next year you'll have a lot of fun with flag and if things ever get you down just pray about it! We'll have so much fun this summer cruisin' to the hills (Bever) much luck with (High). Remember what we talked about. You're such a good friend, & such a cutie!

LOVE, Beth

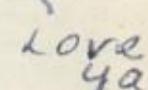

Dear Suz-  
I'll never forget  
the fun times we  
had practicing. I'll  
never forget the  
burning fish! I still  
have scars from it.

It was  
a blast  
and it uh +  
really made  
us closer. I'm <sup>up</sup>  
so glad you  
made it, you  
really deserve  
it. Love you also

Susan Hinckley

Dear Suzy,  
I'm glad that you came  
into the class this semester.  
I am also happy that you made  
the flag. I knew you'd do a good job.  
I've never told you this before, but  
I have a dog, apparently my dog  
friend talked to you and some-  
body else and fell head over  
heels for you, about a month after  
I heard about you!! Well, I  
was a guy I might go after  
you to, but unfortunately, I'm not.  
Anyway, maybe I'll see you  
next year. See ya Alison U.F.
